

YAQUINA RIVER MUSEUM of ART

collection of the Michael and Judith Gibbons Trust

Volunteering

Come join the fun at the Yaquina River Museum of Art
Become a YRMA Volunteer

Volunteers are the “heart” of the museum. Our volunteers come to us from all areas of the community. The dedication and commitment of these wonderful individuals enable the museum to reach great goals.

Volunteers staff our School House, greet visitors, assist at special events and support our staff in many ways. Volunteer scheduling is flexible to fit your needs, and we provide training to ensure that you are comfortable and competent in your volunteer position.

With many thrilling new exhibitions and educational programs on the YRMA calendar, volunteering gives you the inside track to experiencing first hand the fun and excitement of looking behind the scenes at the Yaquina River Museum of Art as well as making a significant contribution of your time to furthering the arts in the Toledo area.
